The Defaulter Pays

Sounds Good – Doesn't It!

Overdue Accounts

Cash Flow Management System is a highly effective collection process for Overdue Accounts. We recommend adding \$20.00 per account placed into this facility.

This generally results in the facility being utilised by our clients at little or no cost! What could you be doing if you do not have to keep chasing up overdue account.

25 Account Voucher (Booklet) \$quoted

Field Calls

Field Calls are a useful tool to :

- (a) confirm a person lives at a particular address;
- (b) obtain additional information. I.e. persons possible new address, by simply talking to neighbours;
- (c) determine whether a debtor has sufficient assets that could be ceased (through court action).

Perth Metropolitan Area \$40.00
 Country/Eastern States \$quoted
